Mike, is your son studying with the Suzuki Method?

Carla, Is that the "Get on yer bike" method?? 😊

(Someone's going to have to tell me how I get the name, data and time of the poster when I quote from their posts. Every one does it except me!! 😞 HELP!!!!

Daren, I love the team logo! 😊 I also like the way you've incorporated it into your signature with your results, very classy. If we can get some t-shirts sorted for BIRC, we'll be the best looking team at BIRC!
